# INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

## History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

## Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

EASTERN CHEROKEES.
MAR 7 1908

#16279 - 16276 Miscel.

Emily Worley being first duly sworn, deposes and says:

That I am 55 years of age. I claim my Indian descent on my father's side and on his mother's side, Nancy Darby. Johnathan Riddy was Nancy Darby's father. Nancy Biddy who was the wife of Charles Darby was a first cousin of Meshack Biddy. I claim back to Johnathan Biddy and through no other source. I have heard the testimony of James C. Sams and that is practically my testimony as we all claim through the same source. My husband is a white man.

That I am 51 years of age and live in Pickens Co., Ga. I claim through my mother; my father is white. I claim my Indian descent through Meshack Biddy and through no other source. I heard the testimony of James Sams (14068) and his testimony is substantially mine. My wife is white.

Noah Biddy being first duly sworn, deposes and says:

That I am 70 years of age and live in Pickens, Co., Ga. I claim my Indian descent through my father; my mother is a white woman. I claim through my father's mother, Mary Biddy. All of my other grandparents were white people. Don't know where my father was born, but since I can recollect he has lived in Hall and Forsythe Cos., Ga. In 1835 he was living in Forsythe Co., Ga. My father died when I was about 10 years old. I suppose he lived with the Indians in Forsythe and Hall Cos., Ga. about 1835. I am not sure that he lived with the Indians as a member of the tribe. I do know though that he claimed kin to the Indians. Never heard my father say how much Indian he was. I never heard of my father being on any roll and I never was on any roll. ~~I~~ I don't know why I was never enrolled. I am considered as a white man with some Indian blood. John Biddy and Jesse W. Eaton are my nephews and claim through my grandmother, Mary Biddy, and through no other source. I nor my father nor his mother never received anything from the government by reason of our Indian blood. John Biddy was my father's brother. Susie Biddy who married a Holland was my father's sister. Don't know whether he had any other brothers and sisters or not.

John Biddy, Columbus S. Sams, Marion H. Sams and James M. Biddy are all present and state that they claim through Mary Biddy only. They have all heard the testimony of Noah Biddy and are willing to let it stand as theirs.

Applicant to all appearances is a white man.

#14068 - 14066 Miscel.

James C. Sams being first duly sworn, deposes and says:

That I am 48 years of age. I claim my Indian descent through both parents. I don't know how much Indian my parents claimed, but they were Cherokees. Arminda Wilson who has filed application #14075 is a daughter of a sister of my grandmother Sams, but I in addition claim through my mother's side. My father was born in Forsythe Co., Ga. He moved to Pickens Co., Ga. sometime in the early fifties. My mother was born in Forsythe Co., Ga. about 1830, and my father was born along in the thirties too. Both of my grandparents on my father's side claimed Indian. My grandfather ~~xxxxxxxx~~ Meshack Biddy claimed the Indian on my mother's side. None of my ancestors were on any roll that I know of. The Indians were here when my parents came to Georgia but I don't know whether the Indians recognized my parents as a part of the tribe. In 1835 Meshack Biddy, my mother's father, was living in Forsythe Co., Ga. My understanding is that Johnathan and Mary Biddy, my great grandparents lived and died in Buncombe Co., N. C. Don't know when they died. I am recognized as white. My wife is a full blooded white woman. Chas. Darby was a white man, to my understanding.

January 27,1908.

David C. Brown,

Adairsville, Ga.

Sir:-

Your letter of January 19,1908 received, in which you state that your father, Alexander C. Brown, was a half-breed Cherokee Indian and that he was enrolled in 1835 near the Oo-sti-nolla river. You further state that he was a son of Sallie Rainwater, a full-blood Cherokee Indian, but you do not state who his father was. Was he a White man, or to what race did he belong? Who were the parents of Sallie Rainwater, your grandmother? To what tribe of Indians did she belong, and was she living in 1835? You state that while in the Indian Territory on a visit you met an Indian by the name of Rainwater who was related to your grandmother. What is this Indian's full name, and where does he reside in Oklahoma? Is he an Eastern or Emigrant Cherokee Indian?

Did your father have any children born prior to 1835, or is your brother, Jno. Alexander Brown, the oldest child?

I notice you state that your sister was named Polly Ann, but you do not state her full name. To what band of Indians did she belong? What were the names of her parents, and when did they part to her?

Is your case before the United States

in your family now.

Government during the Hester enrollment in 1834? If so, why were you not enrolled under the Hester enrollment? What reasons were given to you or to your brother for your non-enrollment by Hester in 1834?

Were any of your ancestors part Indian and part Negro or were they part Indian and part White? Were any of your people ever held as slaves by the Cherokee Indians? Are you any relation to Thomas, John, Ison, Zachariah and Dicie Brown, who formerly came from the South and located in Missouri in 1838? Please answer all questions clearly.

Respectfully,

Special Commissioner.

This Claimant was old enough to remember back to the removeal, he now claims to be 96 yeqrs old, he was a slave his mother being a slave

I find by examining the Cherokee Records here in Library
Dec 29 1835, George Lowrey, and Jessey Bushey_head, were partys to a treaty with the U S, at New Echota Ga, that these partys are given as chiefs,
I find later in 1838, J W Watts a chief was a member with others , in a co-ntention, the U S had been swindled in former treaty at New Echota,
I refer to these showings, as you have give me notice Bush or ware has not been found on the cherokee roles, also that Watts did not appear,
I find from these records Brig Jno E Wood comd the U S Troops who had the removal of the Cherokees, and in representing the U S

In answer to yours of Jan,2I , in the Case of No_7627, Augustus Ware, and others, to know if they are mixed with the Slave Rase,, No 7609, James. O. Murphey, is. these two are all that claimed to be mixed with Exslaves, in the list Mailed to me, on Jan, II,08

I may have been under a misstaken idea, You state you can not find the Watts Family as Cherokees, and that you know of no reson why I sh_ould not be furnished information from the Roles in the Ter,

I will see what I can get from that sorce,

Have you not the Roles from The. I. Ter, the same as the Dawease Commis_sion, used ,I thought you were in posession of that full Role, and u used it as refference to presant Applications,

The Watts Family must be on the Roles in the, I, Ter, from Ga &.S C,

I filed for some of the same Family, while others taken advantage of the Laws , in the I Ter, with the Cherokees,

I would like to be advised , if the Roles in the Cherokee Nation , iS found to cary the same Family of Watts, and Cerifyed Copys of this, Linked with other proofs at this end of the line, showing these Appli cants to be of the same Family, will that make the required proofs of these Claimants, connected with the Watts, good, this I can do, an is about all I can do, in proofs of this Watts Family,

I find this ,croping out in the work, that many of the Older mixed. cherokks , were in good fix owning Slaves, and refused to be inrole This may be one reson the Roles fail to show Watts, I under stand as to the Court haveing to approve the Roles, but if I get Certify _ed Copys, from the Cherokee Roles, it ought to be good

As to Augustus Ware, No ,7627, he is Cherokee, at least half blood, and his recollection of Lowery a, J. P, in S C, delivering his Father to be removed in I838 seamed very Clair, and he has his Father I Indian Relicks, and Sais his Father was called Bush

George W. Thomson coming first duly sworn deposes and says:

I live in Washington County, Va. I am 54 years of age. I claim Indian blood through my father, George W. Thomson. He was born, raised, lived and died in Ashe County, N.C. He was about 67 years of age at the time of his death. I have heard his remark about his Indian blood. I do not remember that I have ever heard him speak of it in my boyhood days, but I have heard others speak of it. When I was about 15 years old I heard old man William Sullivan, who lived in Ashe County, N.C., say that I was connected with the Sizemores. He never said that they were Indians, as others did. He said they were Cherokee Indians. I do not remember that my father ever told me that we were connected with the Sizemores. I never heard that my father received any money from the Government on account of his Indian blood. My grandfather, James Thomson, lived in Ashe County, and was about 53 years of age at the time of his death. I have seen my grandmother, Polly Thomson, many a time. She lived and died in Ashe County, N.C. I have heard her remark about her Indian blood. That was before the Dawes Commission. She said she had Cherokee Indian blood. She has been dead about 33 years. I do not know that I ever heard her remark about her ancestors. Polly Thomson, was the daughter of James and Lydia Blevins, and Lydia Blevins, was the daughter of Ned Sizemore. I have never heard my grandmother talk of Ned Sizemore's family. I do not know that I ever heard her say where they came from. These things were not very much talked about in those days. They have been more or less talked for the last twenty years. The land question in the Indian Territory revived the talk. I never received any money from the Government, nor have my father, my grandfather, and my great grandparents received any. I have never seen any of the Sizemores. When people have thrown up my Indian blood, it used to hurt me a little. The reason William Sullivan spoke of [illegible], was because they [illegible] Sizemores.

DEPARTMENT OF THE INTERIOR,

Commissioner Indian Affairs,

Washington, D.C.

Dear Sir,

I submit herewith the applications of Sallie Catt, guardian of the minor heirs of Martha Hornbuckle, and of Hazeltine Maney, mother of the minor heirs of John Greybeard.

The father of the Hornbuckle children is living. He was on the Chain gang at the time of the death of the mother of the children. He renounced his guardianship of the children in writing, and as the children were destitute, I had Mrs. Catt,( a Cherokee woman) appointed guardian for them, that they might be taken care of.

Whatever may be necessary to complete the claim for these Hornbuckle children, if you will give me instructions, I will see that it is attended to.

In the claim of Sally Greybeard and Jimmy Greybeard, minor heirs of John Greybeard, deceased, Their mother makes the claim for them, but she has not taken out papers of guardianship, which I suppose will have to be done before any money can be paid for them.

I will be pleased to receive instructions.

Very respectfully,

W. Wills Hamm.

You are advised that it will be unnecessary for the mother of Sally and Jimmy Greybeard to take out letters of guardianship at this time, as the application by her in their behalf will fully protect their interests.

If further information, or testimony, is required in these cases you will be duly notified.

Tom Still, being first duly sworn in behalf of Jessie Lee et al, deposes and says:

I am about 60 years old. I never knew the parents of Tom Lee and Jessie. I have known the boys since the end of the Civil War: They are both full-blood Cherokees. They are Night Hawks and I do not know whether they were enrolled by the Daws Commission or not: They never drew any Old Settler money to my knowledge. I have always regarded them and they have generally been regarded in the community in which they live as Emigrant CherOkees .

Jessie Lee etal.

John Blackfox, being first duly sworn, in behalf of Jessie Lee, thru his Interpreter, Walter E. Whitmire, deposes and says:-

I am 60 years old; I have known Tom and Jessie Lee since before the Civil War; The father and mother of Jessie and Tom Lee were both Emigrant Cherokees. The mother of Tom and Jessie was Lydia or Lit-tih. My mother and Lydia were full- sisters. My mothers name was Gah-lee-lo-hih or Gah-lee-law-hih. The parents of my mother were Old Turkey or Guh-nee-gah-yuh-lih and Gah-nee-no-hih / My fathers name was Te-geh-dah-le-yeh-toe-skee. ( See 169 C. R. )

The parents of Tom and Jessie Lee were living together in 1851: in Going Snake District. I do not think that they had any children living in 1851. They lived in Going Snake District at that time In the southwest corner near Tahlequah District. It is possible that they were enrolled in either Flint, Going Snake or Tahlequah Districts.

I drew the Emigrant Cherokee money in 1851: There is no doubt that Tom and Jessie Lee are Emigrant Cherokees. They never received any Old Settler money and See 14286 for the application of Cherokeeess ) They were enrolled by the Dawes Commission and received allotments of land.

The sisters of my mother were Lydia, the mother o those boys, Ah-yah-nih, dead, Chick-oo-wih, dead, Che-go-ns-lah, dead, I think that my mothers sisters were enrolled with their parents in Going Snake District in 1851.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. MAY 27 1909
No. 7672

**General Claim Agency,**

*John L. Springston,*

*Vian, Oklahoma.*

Vian, Okla, May 25th, 1909. 190

Hon. Guion Miller,

Sir:

I am making an appeal in one of my emigrant cases that the party it appears was unable to explain fully to you at Marble, as to her relatives, father and grand parents--

This party is Emma Scentie, of Sallisaw, Okla, claim made Dec. 19, 1906.

Now in this case, I have made inquiries as to the grand parents of applicant on mothers side, and I find that her mothers father was called in Cherokee, Gee-qua-ee-skau or Guinea head, or Partridgehead as the case may be--he was the brother of Moses Chucalate of Sallisaw, Okla, another of my clients-- and their father was named simply Ben without the Chucalate, the name Chucalate is an assumed name--

This Guineahead his brother tells me was his own bro, and came to the Cherokee Nation west with the emigrants, and that the entire family now known as Chucalates, was emigrants, and came west with the emigration--in 37,8.

Before the hammer falls Mr. Miller, give me the status of the case as to any need of proof yet in the matter--

This woman will prove to be as much entitled to the emigrant shares as Mr. David Faulkner ever was or is--and the trouble in her case when she was before you was that of a feeling or family feud among the her relations, and they would not aid her in the case at all--

Her husband Cornelius could have fully explained the case to you at Marble, when you was there, but he advises me that he was not allowed to so do--he had made extensive inquiry into the matter, and could have gave the Com some valuable information in the case--

Please advise me at once if possible,

Respectfully,

John L. Springston.

Appl. #5926, Lizzie Chuculate.

Emma Scontii's one-half brother and one-half sister, applicants #1453 and 1455 are o. k. through their mother (not the same as Emma's) who was daughter of Akey, in Flint #321. Akey was the daughter of Wutty, and step-daughter of Dick Chuculate, head of same group.

Applicant states in her application that she was born in 1850. This appears to be an error, however, as in her testimony, page 2862, taken on September 17, 1908, she stated that she was thirty years old, and in a letter enclosed in her application she states that she was born subsequently to 1851. She states in her application that she had brothers and sisters born prior to 1851. Unable to find applicant's father and mother, brothers and sisters on the roll. In the testimony above referred to she testified that she had certain uncles and aunts whom she named, which names appear in Flint #199, but are not the same as those given in her application. In the letter above referred to she gives her mother's name as Cah-nah-wee-lee which name appears in Tahl. #20. It is impossible to say whether it is applicant's mother. She gives her father's name as Ah-mah-yu-eh. A name similar to this appears in Flint #199 above referred to. According to applicant's application her father and mother and several children were living together in 1851, so that this is not likely to be her father.

#8111 Miscel.

Tom Proctor being first duly sworn through Tom Roach, interpreter, in behalf of Sarah Chuckerlate nee Lasley, deposes and says:

That I am 59 years of age. Father of applicant was named Lacey Lasley or Lacey Kun-sco-we. Don't know his father's name. His mother's name was Ah-yos-stah. ~~My mother had a sister named~~ Applicant's mother had a sister named Jinny Soap. Sarah's grandmother on her mother's side is Chuckerlate. Buck ~~Almore was~~ Almore was the grandfather of applicant on the mother's side and his Indian name was Daw-you-ne-see. Emma's mother's name ~~was~~ is Too-kah. She sometimes goes by the name of Guinnea-head. Sarah's mother, Emma Scontie, is living and has filed application 7672, and Emma's mother is living and has filed application but I don't know her number.

Sir:-

Records on file in this office application #7675 for a share of the money appropriated for the Eastern Cherokee Indians, in which you claim to be a child of Thomas your father, Lewis Skonti-no, and your mother, Sallie Skonti-no, nee Blue Eyes. I beg to advise that I cannot find the names of your parents on the roll of 1851. There are no Eastern, or Emigrant, Cherokee Indians by the name of Skonti-lo or Scontie on the roll of 1851, or any other name that sounds anything like Skontie. Is there any other way of spelling this name? If so, please give it. Under what names were your father and mother enrolled in 1851? Were they married at that time? If your mother was not married to your father, by what name was she known, and in what district was she living at that time, and from what district was she enrolled? Were either your father or mother "Old Settlers"? Please be positive in your answer as to whether either of them were "Old Settlers", or whether they were Eastern Cherokee Indians? Have you any uncles and aunts who are living and have filed applications as claimants for this fund? If so, please give their names and the numbers of their applications.

Respectfully,

[illegible]

Sir:-

You have on file in this office applications #7681-7687, in which you claim through your father, Youngpig, or Si-qua-ni-da, and your mother, Li-[illegible]. I beg to inform you that the names as you have given them do not appear upon the roll of 1851. What was the name of your grandfather on your father's side? What were the names of your grandparents on your mother's side? Where did they reside in 1851 if living at that time? Where were they enrolled, and in what district? In what district was your father, Youngpig, enrolled? Was your mother married to your father in 1851? If not, under what name was she enrolled and in what district? Have you any aunts or uncles who were sisters or brothers of your said father? If so, in what district were they living, and if they have filed applications in this office, please [illegible] their names. Were your parents, or grandparents of [illegible] Cherokee"

As early reply will be appreciated.

Sir;

My ~~m~~ brother French Youngpig, has been dead several months and I was appointed as administrater. I will answer your letter of January 16, 1907.

My father s father was named Arch and I have heard them say that he was sometimes called Arch Crying or just Arch. My father's full name was Youngpig Arch. I think his name~~#~~ appears as Pig Arch when he was in the army, during the late Civil war.

My father's mother was named AR_le_tar_dar _dar_ye.

In 1851, I think they lived in Flint District, Cherokee Nation.

My mothers mother was named Gar_dar_neh_der and her father was named Sut_te_oah or Squa_ne_dar_he and think they lived in Tahlequah, Dist. in 1851.

My father was enrolled in Flint District in 1851, I think.

My father and mother were not married until after 1851, as they were just children then.

I have one uncle, Eli Scott, whose P.O. is Stilwell. He was a half brother to my father.

All of my grandparents were emigrants.

I am a fullbrother of French Youngpig.

Yours Respectfully,

~~J. C. Hobbs~~

Arch Youngpig.

I am about 35 years of age; was born in Cherokee Nation West. My mother was a Cherokee Indian. Do not know anything about my father. I drew strip money. I never got any Old Settler money. My allotment number is 7024. My mother has been dead 13 years. She was about 47 when she died. I never heard her say if she drew Immigrant money. My mother's father was an Indian. I never saw him. My grandmother's name was Polly or Wah-le. There was one child older than my mother. Wah-le was an Immigrant and l ved in ahle uah District. My grandmother has told us that she came here with th Immigrants. My mother was the second child. The oldest one was named We- gy.

John Collins, after being first duly sworn, deposes and says:

Jennie Collins is my wife. I knew her grandmother, Wah-le. She died in December, 1907. Fifteen or sixteen years ago she lived about 12 miles from Tahlequah. I remember when the heirs of the Old Settlers were paid about 15 or 16 years ago. My wife did not share in that payment. Her grandmother did not share in that payment that I know of. I understand she tried to get on that roll but they told her she was an Immigrant. I saw her three or four times a year and if she had gotten a payment at that time, I would have heard it.

Polly Tarrapin,

Tahlequah, Okla.

Madam:-

You have on file in this office application #7695 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you were born in 1830 east of the Mississippi river. According to your statements, you must necessarily have been enrolled on the roll of 1851 with the Eastern, or Emigrant, Cherokee Indians. Under what name were you enrolled in 1851, and in what district? What name did you bear prior to your marriage? I notice in your application you state you were married to one Charlie Tarrapin, aged twenty-five. Is this a mistake, or is the age as given in your application correct? If you were not married in 1851, in what district were you living, and with whom? Were you enrolled with your mother? In what district was she enrolled, and under what name?

An early reply will be appreciated.

Respectfully,

L.M./AH
